

Police ram stolen car

A wild chase through Burlington was brought to an abrupt end, Saturday afternoon, when a Wilmington police cruiser deliberately rammed into the side of a fleeing vehicle. Officers McCue and LaRivee captured at gun point, two hoodlums who had been in the stolen car, an Olds Cutlass, after pursuing them on foot through the neighborhood.

Officer Robert LaRivee captured one youth at gunpoint in the rear of the Huntley home, at 109 Burlington Avenue. Officer David McCue captured the other youth, wanted by the Boston police for murder.

McCue captured the youth in the cellar of the Gonzales home, at 9 Marion Street, where the youth had tried to hide. The Gonzales family were at home at the time.

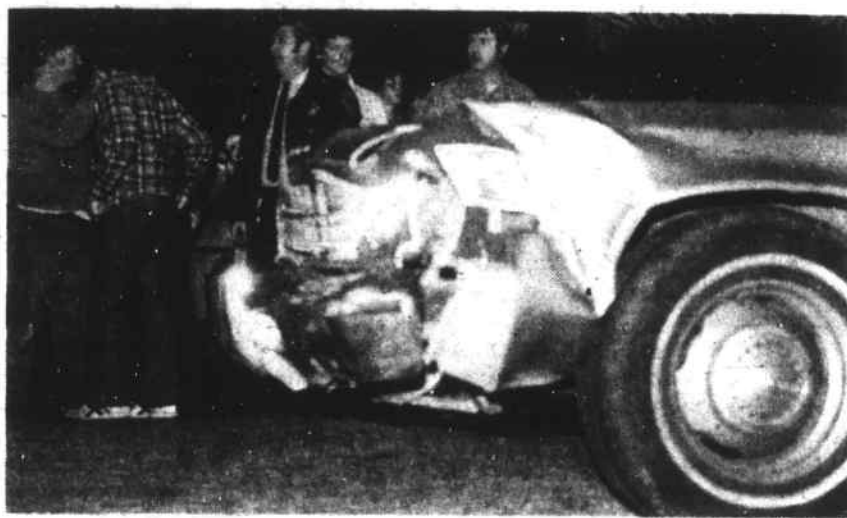

The car had been stolen in Billerica at about 4 pm and was seen in Burlington by Officer Dick Glejzer. Glejzer attempted to stop the car, but the driver eluded him, driving off at a reported 70 mph speed. The driver edged over to County Road, which leads into Route 62, and on that road struck down two pedestrians, while at the 70 mph clip.

Glejzer, who was pursuing the two men, stopped his cruiser to aid the injured youngsters, meanwhile radioing the news of the chase of the car. He administered first aid, and stayed with the two young people until the arrival of an ambulance. Lisa Caramanis, 16, and Mark Flyer, 19, both of Burlington, were taken to the Choate Hospital in Woburn. Flyer was bleeding from the ear, and it was feared there was a skull injury. It turned out to be lacerations, but he does have to return for surgery.

The two car thieves, meanwhile had sped down Route 62 towards Wilmington. LaRivee and McCue drove to the corner of Burlington Avenue and Marion Street, to set up a road block, just as the stolen car arrived.

Officer LaRivee was the first to see the fleeing car. The driver of the car tried to go around the heavy afternoon traffic by driving up onto the sidewalk, at a high rate of speed.

Officer McCue, to stop him, drove his cruiser into the left rear end of the Cutlass. The yellow car spun around, and took off across Nee Park, and onto Marion Street.

THE McCUE TOUCH: The front end of the police cruiser, just after it had finished battering the yellow Cutlass, Saturday.

"That's the way to do it"

Wilmington's Town Manager, who is highly sensitive to the problem of damaged police cruisers, has approved of the damage done to the cruiser Saturday afternoon, incurred while capturing two hoodlums.

"If you damage a police cruiser,

that's the way to do it," Sterling Morris told the Selectmen Monday night.

The selectmen were unanimous in their praise of the officers, McCue and LaRivee. McCue had rammed the car of the fleeing men twice.

The car stopped, about 100 yards down Marion Street, near the garage of the old Musolino family, now owned by the Hill family. McCue, pursuing, rammed the car a second time.

The two youths took off on foot. After the capture by McCue and LaRivee, they were taken back to their car, where a 22 automatic pistol was found.

Both men gave false names at the police station. Inspector Danny Ballou, Lt. John Imbimbo and Officer Bill Gable soon established their identity.

Both have long police records, and outstanding warrants for their arrest have been issued in Winchester, Woburn, Cambridge and Somerville on a variety of charges.

One of the youths was released to the Boston police Monday morning, after a court hearing, on a murder warrant.

One of the two is sixteen, and the other seventeen. The sixteen year old is being arraigned in Woburn Court today on a charge of participating in a pistol hold-up of the Ramada Inn in Woburn last July.

One year moratorium in school building program

The recommendations of School Supt. Walter Pierce, that there be a one year moratorium in the school building program was accepted by the School Committee, in its meeting last week.

It was also voted that there be no additional renting of facilities within the same time.

Essentially, the school department will now use only the present facilities during the 1976-77 school year. The Permanent Building

Committee has been so notified.

Pierce told the School Committee that the financial and economic picture facing the people of Massachusetts is one in which there is a crisis at the state level.

No appears to be able to predict with any degree of accuracy what assistance, if any, will be available to cities and towns. Clearly it does not appear to provide conditions conducive to recommending any type of new school construction.

Refunds coming from Light Bills

The Boston Edison Company has refunded \$559,376.41 to the Reading Municipal Light Department, which serves the Town of Wilmington. The refund is the result of five years of litigation, which began when Boston Edison increased Reading's wholesale power cost, on May 1, 1970.

Reading has the money, but there is a slight catch. Boston Edison is appealing to the United States Court of Appeals, and if successful might be able to recall some of the money with interest. Reading Light is therefore holding onto the check, and is asking their Washington attorneys for advice.

When the refund is clearly the property of Reading Light the money will be refunded to its customers, in direct proportion to surcharges paid during 1970 and 1971, and to the customers of that period. Surcharges on the 1972 bills have already been credited back to the customers, during October and November of that year.

Reading Light has been contesting wholesale light rate cases for years, with no success to report. The board hopes that other cases, presently before the Federal Power Commission, will be settled soon, with the current case (S-1) as a precedent.

There is some hope.

Medical papers for child lost in accident

Mrs Robert Britt of Brentwood Avenue, in an accident at Woburn and Wildwood Streets, Sunday evening, lost her purse containing medical papers pertaining to her infant child who is about to undergo open heart surgery.

Mrs Britt, on a motorcycle, was blinded by on-coming car lights, about 6:30 pm and she skidded on

some sand. Her motorcycle hit a stonewall.

She is in the Winchester Hospital in serious condition, having suffered a broken pelvis, broken hip, and fractured collarbone, and she is having internal bleeding.

The papers relating to the child, if found, should be returned. Her husband's number is 658-5467.

George O'Connell in poor condition

Officer George O'Connell, one of three Wilmington policemen involved in an accident in Tewksbury last week, is in poor condition in St. Joseph's Hospital, in Lowell. O'Connell, who lives on Marion Street, was a passenger, in the back seat of the car driven by Officer Lynch.

He is reported to be in a paralytic condition, in the lower part of his body, and to have a tingling feeling in his fingertips. O'Connell's life was undoubtedly saved by the care with which he was extricated from the wreck, by

Wilmington firemen. Fireman John Brown and others took 20 minutes to get him out, using a stretcher and special effort to prevent further injury.

The accident, reported last week, has had several other versions given, all verbal. Some selectmen report a number of telephone calls.

It has been reported to the Town Crier that Lynch and the other officers were in pursuit of a car which had been driven recklessly, and that the purpose of going into

Herman Peitzsch served with Felix von Luckner

Herman W.C. Peitzsch, 285 Burlington Avem. Wilmington died Monday morning, in the Continuing Care unit of winchester Hospital. He was 85 years old and had been in ill health for some time.

Born in Hannover, Germany. Mr. Peitzsch had served in the Imperial German Navy before World War I, and in World War II has served in the Massachusetts State Guard. He had been a resident of Wilmington since 1930, where he was well known as a self-employed appliance mechanic, in the days prior to World War II, and when he also had a gas station in front of his home.

In World War II he served as a maintenance mechanic in Fort Devens.

Sixty-five years ago, in Hamburg, Germany, while serving in the German merchant marine, Mr. Peitzsch was drafted into the German Navy. He trained at Kiel, and was assigned to duty in the submarine service.

The German submarines, four years before World War I were crude kerosine burning vessels. Peitzsch served three weeks, and then was doomed to have too weak lungs for such service, and was transferred to surface vessels.

he served as a seaman gunner, on a heavy cruiser, the SMS Sleschvig Holstein. The officer in charge of the battery in which he served was Count Felix von Luckner, later to achieve international fame because of his World War I command, the sailing ship -

raider Seeadler.

Herman's three years of service were completed in 1913, and in 1914 when World War I started he was serving again in the German merchant Marine, on the SS Amerika. He was interned in the port of Boston, where a total of 51 German ships were interned.

When the US entered World War I, in 1917, Mr. Peitzsch and the other German seamen in Boston were given an option - go through US Emigration and become bona-fide emigrants, or else be interned in a prisoner-of-war camp.

Herman opted for US citizenship, a decision he never regretted. More than a generation later he was wearing an American uniform, in a war against his native country.

He was the husband of the late Gertrude E. (Meitz) Peitzsch, and he is survived by his son Paul of Burlington and two daughters, Mrs. Gertrude Perella and Mrs. Helen Darling, both of Wilmington.

Thirteen grandchildren and eight great-grandchildren also survive him.

Jehovah Witnesses funeral services were held yesterday morning at the W.S. Cavanaugh Funeral Home, 374 Main Street, Wilmington at 11 a.m. Burial was in the family lot in Wildwood Cemetery.

Helen C. Erikson died in Lowell

Mrs. Helen C. Erikson of 8 Shawsheen St. Pinehurst died unexpectedly at Lowell General Hospital on Wednesday, November 5.

Mrs. Erikson, who was 70 years of age at the time of her death, was born in Quincy, the daughter of the late Robert and the late Mary (Jello) Walsh. Mrs. Erikson had lived in Quincy during her youth, was educated there; resided in Somerville prior to moving to Pinehurst 31 years ago.

She was an active member of the Pinehurst Community Congregational Church, the Independent Order of the Vikings (Gripsholm Lodge, Lynn), the Veterans of Foreign War Post No. 2458 of Wilmington, secretary of the Golden Age Club of Billerica, the Billerica Senior Citizens and the Foster Grandparents Program at the Bay State Rehabilitative Center.

She was the wife of the late James F. Erikson and is survived by her daughter Mrs. Thomas (Norma) O'Connors of Wilmington; her brother, Joseph E. Walsh of Quincy; her two grandchildren, Mrs. David (Terr) Cassidy and James T. O'Connors, both of Wilmington and two great-grandchildren.

Funeral services were held at the Community Congregational Church, Pinehurst on Saturday at 2 p.m. with the Rev. Richard Hall officiating. Burial took place in the family lot, Wildwood Cemetery.

Funeral arrangements were under the direction of the W.S. Cavanaugh & Son Funeral Home, Wilmington.

FISH seeks donations

Tewksbury's FISH organization is again offering the town's residents an alternative to Christmas card mailings, partly because of the success of FISH's program last year. That program is accepting donations which are used to aid needy families.

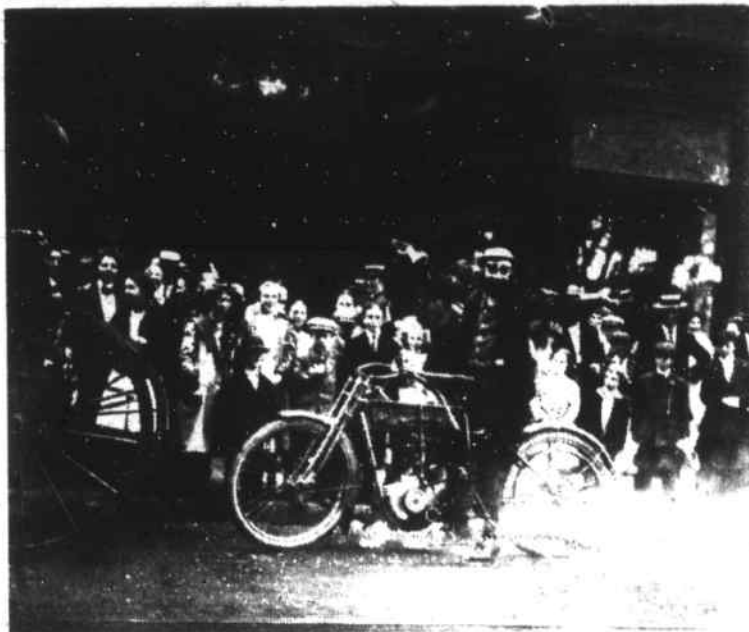

FISH knows that because of increased unemployment among townspeople, many families perhaps for the first time are facing a gift-less Christmas, even though they have never before been considered needy and haven't yet considered seeking aid from social or charitable services.

Residents are urged to tell the pastor of any church with members from Tewksbury of any families in need. FISH will try to make their Christmas brighter if possible.

Last year more than a dozen needy families were treated to gift certificates as a result of donations made by townspeople.

Donations should be sent during November to the FISH Christmas Fund. Mrs. Jane Cobleigh, 9 Cobleigh Drive, Tewksbury, or left with the pastor of any of the four churches located in Tewksbury.

Booters in State Semi Finals

The Wildcat Soccer Team is on its way to the State Semi Finals.

A week ago, on Nov. 6th the team scored a 2 - 1 victory over Harwich, in the first game of the Eastern Mass Div. II tournament. The game was played at Tabor Academy, in Marion. The victory was the 13th straightwin for Coach Frank Lentini.

Tri-Capt. Paul Massasco of the Wildcat team drilled a penalty shot past the Harwich goalie, Juan Nikulo, at 14:05 of the first period, to score. The shot was the result of pressure on the Harwich goalie by right wing Jim Logan.

The second period was scoreless, but at 7:33 in the third Tri-Capt Dan Burns netted the eventual game winner, on an assist from right wing Tom Stewart. Then on the 15 minute mark of the fourth period Harwich came up with a score.

The Wildcats just about had to fight for their lives, in the final minutes of the play Harwich was really fired up.

Dave McMillan was again an exceptional goalie, but those final minutes were a total team effort,

with special credit to Jeff Cote, who was filling in the fullback slot.

Hamilton - Wenham

Last Saturday, at Nickerson Field of Boston University, the Wildcats defeated the Hamilton - Wenham team 3-2. It was the first time the Wildcats played on Astro-Turf. The win advanced the locals to the semi-final slot in the state tournament.

There were 18 minute periods, and the Astro Turf affected the playing of both teams. Hamilton - Wenham outplayed the Wildcats for a large part of the game. They had a short passing play, to give them to 14 to 6 shooting edge.

Dave McMillan, with the help of the fullbacks, was up to the task, with 12 saves. H - W jumped out to a 1-0 lead at 5:42 in the first period. Fullback Steve Winchell tied the game at 9:20 on his own rebound, after a throw-in.

Foward Ron Deveau converted on a corner kick at 11:54 in the second period with an assist from halfback Scott Lane.

The game remained at 2 to 1 until 11:21 of the third period, when Dan Burns came up with his se-

cond straight game winning tournament goal.

H - W came up with a goal at 15:00 in the third period for the final score of the contest.

In the fourth period H - W came out fired up, and put the pressure on the Wildcats, with two really close calls to stir up the spectators. The remainder of the period gave both goalies some tense moments.

Once again, in successive games, the Wilmington fans have been shown how exciting and fast moving the game of soccer can be. The coaching staff of Frank Lentini and Bill Peabody must be proud of the team, now advancing into the semi finals of the Eastern Mass Schoolboy Soccer tournament. Everyone is looking forward to the next match, with Nauset Regional, this coming Saturday.

Come on, Wilmington fans! Everyone should make an effort to give the team the support it deserves. Get out to Boston University's Nickerson Field, Saturday at 6:30 pm!

ON TO THE SEMI FINALS! The Wildcat Booters are ready for Saturday

Front: Cliff Hall, Sheldon Maga, Scott Lane, Tri-capt Dan Burns, Tri Capt Paul Marrasco, Tri capt Rick-Spinney, Ron Deveau, Matt Donnelly and Peter McMillan.

Second row: Tom Arnold, Paul Trickett,

Dave Souza, Jim Doyle, Dave McMillan, Jeff Cote, Steve Winchell, Jim Logan, Joe Rusckowski and Andy Pedersen.

Back: Coach Frank Lentini, Eric Woods, Mike Shea, Russ Meyers, Mike Moore, Tom Stewart, Gred Woods, John Cornell, Steve Sonnenberg, and Coach Bill Peabody.

Learning Metrics at the Library, Monday

The Wilmington Women's Club, in cooperation with the Middlesex County Extension Service, is sponsoring a workshop on metric system measurements, Monday at the Public Library. The workshop will be from 9:30 am to noon.

Mary Ellen Lavenberg, Home Economist, is to conduct the workshop. She reports that many

adults are mystified by the coming change to metric measurements. The coming metric system, with new terms for people in this country, uses the easy decimal system that utilizes grams, meters and liters. These terms, she says, will be as easy as dollars and cents.

"Metric America - Are You Read?" is a free lecture open to the public.

High School oratorical contest open to all

Scholarships can be won by high school students, in the 39th annual High School Oratorical Contest, sponsored by the American Legion. Mr. DiSarcina, Room 121, has further information on rules, regulations, and procedure, for the students. The closing date is December 15th.

The subject matter is The Constitution of the United States. There is to be a prepared oration of eight to ten minutes by the participant, with no notes or prompting, to be followed by an extemporaneous discourse of three to five minutes.

Distaff skaters in scoring draught

The Wilmington Miceli/Rees lost their fourth straight MVGHL encounter last Sunday, bowing to Chelmsford 4-0. The girls have now gone through seven consecutive periods without scoring a goal and in their recent slide to the league basement they have scored only once, while allowing the opposition 15 goals.

The young and inexperienced Reds have shown some signs of coming out of their recent slump at times, but the opposition takes advantage of every break and the Wilmington girls may be in for a long season. This weekend the girls scrimmage Tewksbury on Saturday night at the Forum and then enter the second round of league play as they face off against the Haverhill Aces at Tyngsboro on Sunday afternoon.

Stand as tall as the Washington Monument

FIVE PAUL HARRIS FELLOWS: And a Rotary Governor, in a photo taken yesterday, after the Wilmington Rotary meeting.

From left: Dr. John Robinson of Wakefield, Paul Harris fellow; District Governor Vincent

Raponi; Lois Foster, wearing her new Paul Harris medallion; Dr. Henry Foster past president of Wilmington and Paul Harris fellow; Harold Foley, also a past president, and a brand new Paul Harris fellow; and PDG Barney Samuels of Winthrop, Paul Harris fellow.

Wilmington Rotarians can stand as tall as the Washington Monument.

So said the Rev. John Robinson of Wakefield, at the weekly meeting of Wilmington Rotary. Dr. Robinson knows whereof he speaks. He is a Past District Governor of Rotary, and a Paul

Harris fellow. Paul Harris fellows are persons whose work in contributing to the Rotary Foundation scholarship program has been internationally recognized.

Wilmington Rotary achieved a 1200 of its quota, yesterday, which was part of the reason for the extra-ordinary visitation of a

number of past District Governors, and three Paul Harris fellows.

The other reason was to see Harold Foley and Lois Foster awarded the honor of being Paul Harris fellowships.

Harold, who is a past president, is manager of the Shamrock Li-

quors in Tewksbury, and an outstanding Rotarian in District 793.

Mrs Foster, who has made many contributions to the scholarship cause, has a past president and a Paul Harris fellow for a husband, and Lois and Dr. Henry Foster thus become a husband and wife team of Paul Harris fellows.

\$28 million in scholarships have been awarded by the Rotary Foundation, all over the world, to men and women, and \$5.5 millions is being awarded this year. Wilmington has achieved 1200 in donations to the program. Past president Ralph Swanson, in a brief address before the awards, told of the progress of Wilmington and the meaning of the program.

One of the speakers in the program compared the Rotary Foundation to the Rhodes Scholarships, and said that the Rotary program was second only to the Rhodes program. Dr. Robinson corrected that speaker. The Rotary Foundation scholarship program is first, in the world, he said.

The A's had a total of 36 shots on net. Brian Surrence played a solid stand-up style of goal in all three games making many fine saves. The Mites play their next game on Tuesday, Nov. 18 at 6:10 p.m.

Squirt A (7-1-0)...The A's topped their seventh victim Sunday as they scored a convincing 4-2 win over Billerica. Wilmington dominated the first two periods scoring once in the first frame and twice in the second period. John Robson opened the game at 4:41 tipping in the puck on some super passing from Kevin Smith and Ed Harding.

Bob Curran pocketed the second goal at 4:26 of period two following much hard work by Ray Durling and Paul Brady. John Robson popped his second of the day, the eventual game winner as he finished off another Ed Harding pass. Robbie O'Connell completed the Wilmington attack at 1:35 of period three as he stole the puck from the Billerica defenseman and broke in off the right side for the score.

Billerica came back to put in two goals in the last frame before the A's closed the door. Thanks to some superb defense, Billerica only managed eight shots in the first two frames as John Palmer, Dan Allard, Kevin Sullivan and Paul Brady were just outstanding. Goalie Ed Laquidara, after becoming an uncle on Friday night, turned in his usual strong effort in net as he remains on top of the league's netminders in goals against average - 1.13.

The team sends its congratulations to assistant coach Jack Laquidara and his wife Donna on the birth of their first child, Kim, on Friday night.

Pee Wee A (11-2-1)...Nov. 2...The A's travelled to Tyngsboro to once again take on Tyngsboro-Dunstable. The A's outshot T-D 30-3 and Stretch Storer picked up his fourth shutout. Rick Zambarnardi picked up three goals plus two assists for a five point day.

November 9...Lowell provided Sunday's competition at Tyngsboro. The A's fell behind 1-0 midway into period one, but Rick Zambarnardi evened it up assisted by Frank DeVita and Peter Orlando. Keith Ford put the A's out front to stay on an unassisted goal at 6:00 of period two. The 2-1 game was blown open as the A's scored four more times in the last four minutes of the contest. Bantam A...Brilliant goaltending by Joe Iozzo and solid defensive work from McNamara, Howell, LaLiberte and Vellozo held off the charges of a very scrappy Beverly Farms team for a 5-0 win.

After nearly two periods of scoreless hockey, Dennis Foley beat the Beverly Farms goaltender to the far side after taking a pass from Dana Kidd on the boards. Midway in the final period, Dave LaLiberte sent Matt Kmon through the Beverly defense for the second goal. A minute later Steve Mickle and Tim McCann set up Brian Bulger from the left who scored on a low shot to the near side.

A minute later Matt Kmon scored his second goal on a quick hard backhand shot with assists to Bill McCann and Mickle. In the last minute of play, Tim McCann tipped in Mickle's 20-foot slap shot from the left. Shots on goal: Wilmington 19, Beverly Farms 18. Next game: Thursday, November 13 at 6:30 p.m., against a strong Billerica club.

Bibeau stars at Boston State

Former Wilmington High School star Art Bibeau led his Boston State Football Team to their solid 21-6 win over Mass Maritime with a fine running performance. Art rushed for 80 yards, caught five passes and scored a touchdown. Bibeau tallied the game's first touchdown on an 11 yard run.

Bears on comeback

The Golden Bears after a dismal start losing their first two games 6-0 started on the come-back trail Sunday, Oct. 26 when they tied the league leading Dolphins 14-14 after being defeated 14-0.

It appears the touchdown to the Golden Bears is like honey. After scoring their initial two touchdowns vs. the Dolphins the Bears played a make-up game with the Redskins Thursday, Oct. 30 under the lights at town park where the Bears rattled off four touchdowns before the Redskins countered. Then the Bears answered for two final scores ending 30-6.

On Saturday, Nov. 1, the Bears played the same Redskins in a regularly scheduled game and this time they out did themselves, defeating the Redskins 38-6. Standouts in the Thursday and Saturday games for the Bears were the entire team, of special mention in the Thursday game were number 21, Billy Soda and number 24, Chuck Burpee for good

portsmanship. On Sunday, Nov. 9 with momentum still going for them, the Bears struck early when Mark Gugliotta carried the ball over for a touchdown and a 6-0 lead vs the Trojans. The Trojans came back in the second quarter to score one themselves for a half time score of 6-6. In the third quarter Michael Haley caught a Charlie Athanasia pass and legged it in for a touchdown and a 12-6 lead.

Then the Bear defensive took over and held the Jans the rest of the way for a final score of 12-6 and second place for the Golden Bears.

Congratulations are in order for head Coach Len Howard, his assistants Charlie Athanasia and Tim Driscoll, and the entire Bear squad for such a strong finish after a slow start.

Champion Dolphins beat Redskins 34-6

Saturday, Nov. 8 the Dolphins took on the Redskins in a C team contest. S. Kelly opened up the scoring with a 31 yard run on the first play from scrimmage. It was the first of four touchdowns he would score in the game. K. Mace scored the two point conversion.

Later in the first quarter E. Olshaw scored on a 21 yard scamper, the two point conversion failed. S. Kelly scored on a one yard run, the Dolphins missed the extra point. Later in the quarter the Redskins defense tightened up some and they pushed the Dolphins way back in their own 43 yard return of an intercepted pass. The defensive and offensive play of C. Davis, D. Phillips, B. back T. Sanville faded and com-Sughrue, L. Howard, J. bined with S. Kelly for a 58 yard Foresteire, and E. Olshaw were scoring pass play. T. Sanville rushed over for the two point conversion.

The half ended with the score 28-0 for the Dolphins lead. Thanks to the great offensive and defensive

play of N. DeFelice, W. Gangi, G. D'Amelio, T. Caperci, S. O'Beirne and L. Howard.

The second half the Redskins settled down and played pretty evenly with the Dolphins. They put on a good display of offense and defense with the play of T. Driscoll, D. Bemis, K. Sullivan, R. Stumpf and J. Benjamin. T. Driscoll finally put the Redskins on the scoreboard with a 10 yard run in the fourth quarter.

S. Kelly finished the scoring with a 43 yard return of an intercepted pass. The defensive and offensive play of C. Davis, D. Phillips, B. Sughrue, L. Howard, J. bined with S. Kelly for a 58 yard Foresteire, and E. Olshaw were scoring pass play. T. Sanville rushed over for the two point conversion.

Cuzzo and Jim Bossi to enable the Dolphins to end up with five wins and one tie to become champions.

Hawks blank Rangers

Hawks blank Rangers

The Hawks topped the Rangers by a score of 6-0. The first goal was scored by Dan Burbine unassisted. Brendon Kelley followed with another score. Mike McVicker assisting. Mike McVicker then scored the third goal with Brendon Kelley helping out.

Bob Beldassari notched the fourth goal with Brendon Kelley getting the assist; Mike McVicker came back to get his second goal of the game with Jim Bradley getting the assist.

In the third period Jim Bradley scored his second goal for the Hawks with Dan Volusso garnering an assist. Mark Shufelt recorded the shutout for the Hawks.

Another good goaltending job was turned in by the Rangers'

Kevin Surrence.

Canadiens battle to tie

The Canadians and Bruins battled to a 1-1 tie, both goals being scored in the first period. The Bruins goal was scored by Keith Macdonald with Jackie MacDonald assisting. Good defensive game by Scott and Chris Nolan of the Bruins.

Field Hockey Only four goals scored this year against Wilmington

There are a number of teams, in sports, of which Wilmington can be proud. One of them is Field Hockey.

There is nothing quite like the way that the girls of Wilmington play field hockey. The girls are out there on the field, every day that isn't a game day, for three hours of practice. They are enthusiastic, they have good coaching, and a winning spirit.

It's not just this year - 1975. It is a spirit of enthusiasm that has been going on for the last five years or so.

In five years the girls have won three Merrimack Valley Conference titles, and tied for one. The one in which they tied, the girls lost the championship only after two playoff games.

The year in which the girls were not in the champ lineup was 1972. Joan Bellissimo, Sandy McNevin and Pat Pintrich were the co-captains, and the girls gave a very good accounting of themselves. The team won four games, lost two, and tied one.

The year before they had started off on their string of wins. The team was captained by Carol Cipriani and Kathy Gillis, and it had five wins, no losses and two ties, in the Merrimack Valley Conference.

In 1973 the team lost out to Andover in a two game post-series playoff. Both Andover and Wilmington had won five games and tied one. Carlene Butler was the captain that year, and in the first game of the playoff the score was even - tied. It took the second playoff to settle the championship, when Andover scored the win.

A year ago the conference began playing an extended schedule. The Wilmington girls just ate it up. Boris McMillan was the captain, and the girls won eight games and tied two, to win the championship.

And in 1975, this year, the girls really went places. Linda Pintrich led her girls, as captain, right to the state play-offs, leading towards the state championship.

Only four goals were scored against Wilmington this year, and that's saying something!

Dracut scored two goals against Wilmington, early in the season, to inflict the only loss. Methuen and Tewksbury each scored a goal, but Wilmington won the games. Tewksbury, incidentally, went on to take second place in the league.

The Wilmington girls, in those games, scored an impressive thirty five goals.

Last Friday the state play-offs began, and Wilmington was apired off to play Framingham North, in a game in Newton North. The score two two to zero, for Framingham, but even then the Wilmington girls were ahead on the statistics.

Statistics are important, in field hockey. They tell a lot on how a team plays the game - scoring on difficult plays in the corners, and things like that. Games are won, of course, by the number of goals scored, but statistics are important, and sometimes the statistics will settle a tie game.

To cite the importance of statistics, - Tewksbury was tied this year in a game that went into two overtime periods. It finally lost, not in the scoring, but in a shot from the corner - statistics.

Wilmington was well ahead, in the statistics of that final game, until Framingham made those two goals.

Ah well, another year is coming!

1975 CHAMPS IN FIELD HOCKEY: In front, Barbara Moulton, Diane Pumfrey, Anne Gagnon, Sally Irwin, Capt. Linda Pintrich and Jane Conlin.

Rear: Coach Jan Cassidy, Gale Smith, Tish Hadfield, Sheila Burns, Kerin Pilcher, Maureen Howlett, Ellen O'Rourke, Beth Harrison, Laura Miller, and Coach Jan Garapay.

Wildcat defense buries Methuen

The tough Wildcat defense did it again last Saturday, scoring one touchdown and setting up another as Wilmington disposed of hapless Methuen 20 - 0.

The win assured Coach Fred Bellissimo of yet another winning season. Wilmington's record now stands at 5-2-1 while the Rangers dropped to 0-7-1.

In the opening period Wilmington had trouble putting things together as Methuen stopped the Wildcats twice. The Rangers didn't fair much better as the period ended scoreless.

In the second quarter Wilmington ran just eight plays while Methuen controlled the ball. The defense was the key in holding the Rangers scoreless. With less than three minutes left Dave

Rounds blocked a Dave Jueson punt at the Methuen 10 and Brian Anderson picked up the ball at five and scored untouched.

Jim Stewart added the extra point for a 7 - 0 lead.

In the third quarter the defense came through again in blocking another punt. Chris Rounds did the blocking while Gary MacDonald fell on it at the Ranger 18. Five plays later Gordie Fitch blasted in from the two. Stewart's kick was wide and Wilmington lead 13 - 0.

Wilmington hit paydirt again in the final quarter as Lester Peabody capped a 64 yard drive jaunting in from the five. Stewart split the uprights and Wilmington had its fifth win.

For those interested in stats, the

Wildcats piled up 13 first downs to Methuen's seven (five of which on penalties) Wilmington had 202 yards on the ground and 22 through the air while Methuen had a total offense of 69 yards.

Jim Stewart and Bob Sferrazza also had a good day rushing for 78 and 52 yards respectively.

Saturday Wilmington faces Billerica at home.

This week in MVC
Dracut at Andover
Tewksbury at Austin Prep
Billerica at Wilmington
Central at Chelmsford
Methuen at Lawrence.

MVC picks Two team race in MVC

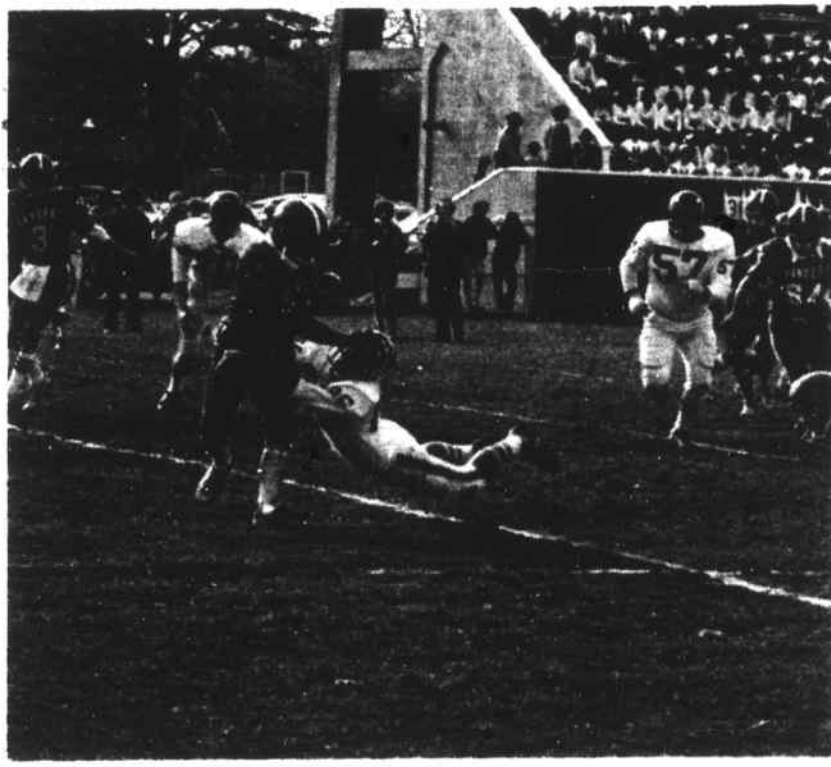

It's a two team race in the Merrimack Valley Football Conference as teams enter the final two weeks of action. Andover and Central Catholic are undefeated and battling for a championship. Wilmington is on the verge of completing a most successful campaign while the Tewksbury Redmen have hit a bit of a slump in recent weeks and are looking to rebound against the stumbling Austin Prep Cougars. The Lawrence Lancers are on the upswing after an upset of Chelmsford while the Chelmsford Lions look to pull an upset.

the youthful Indians from Billerica will hang tough, but not without problems. Sophomore quarterback Larry Harlow may start for the winless Indians. Wilmington by 14 points.

Dracut at Andover...It's not likely that Andover will be upset at home - even by Ed Murphy's improving Middies. If it is a slaughter Andover will have to really work at it. Andover by 14 points.

Central at Chelmsford...Central has turned back stern tests from Wilmington and Tewksbury, and they will get another battle from the disappointing Lions. They should be snarling after being upset by Lawrence. Central by nine points.

Methuen at Lawrence...Lawrence is improving while Methuen appears to be going deeper into loser's oblivion. Lawrence by seven points.

WILDCAT DEFENSE AT WORK: Linebacker Mike Mazzola brings down a Ranger during Wilmington's shutout of Methuen on Saturday. Dino Esposito (20) is to the left, and Gary MacDonald is at right.

Patten Library employees take reference courses

Supportive staff members from Tewksbury's Patten Public Library have been participating in a series of reference workshops designed to teach them how to use basic reference sources more effectively.

Three workshops have been held to date. The first session, dealing with U.S. and local history, was held at the library of the University of Lowell, North Campus; and was conducted by Martha Mayo, U. of Lowell librarian, and David Panciera, director of Chelmsford's Adams Library.

Participants reviewed methods of finding specific information for library users in these subject areas.

At the second session, held at the Burlington Public Library, participants discussed basic methods of answering reference questions and of using reference books in the library. The leader of the discussion was Miss Mary Heneghan, regional administrator of the Eastern Massachusetts Regional Library System. Sources of biographical information were also discussed.

The third session was held at the Wilmington Public Library. The topic of discussion was reference services to school children in the public library.

The fourth session, scheduled for November, will be concerned with sources of information on business and investments. The fifth session's topic will be science and technology.

The sessions have been sponsored by local public libraries in conjunction with the Eastern Massachusetts Regional Library System, and were designed to train library staff members who lack a formal background in library science.

As a reward for participation in the sessions, the Patten Public Library has received several new reference sources, purchased with Federal Library Services and Construction Art funds by the Bureau of Library Extensions, a division of the State Department of Education.

Among the new reference books are the ones listed below:

American Colleges and Universities, a directory compiled by the American Council on Education

American Junior Colleges, another directory; Oxford Companion to Art; Oxford Companion to Music; Facts About the Presidents; Encyclopedia of World History, a one-volume chronology; National Geographic Atlas of the World; Dictionary of Costume; Shorter Oxford English Dictionary; Congressional Quarterly's Guide to the Congress of the United States.

According to Librarian Elisabeth Desmarais, the Patten Public Library is trying to upgrade its reference collection and to improve the quality of reference service available at the library. Both the workshops and the new books will contribute to better services at the library.

James M. McGrew address November 25

Problems can be turned into opportunities for discovering God's power. James M. McGrew C.S., of Boston will tell a public audience Tuesday, November 25 in Reading.

To live constantly at the point of opportunity, he will state, "means asking the ultimate questions about God and Man and the universe and the divine laws that govern the universe."

A Christian Science lecturer, Mr. McGrew will speak at 8 p.m. in the Church auditorium at the invitation of First Church of Christ Scientists, Reading.

Milo Grubb of Stoneham will introduce Mr. McGrew and Mrs. Virginia Raymond of Wilmington is handling local arrangements for the event.

Bicentennial Fair at St. Thomas

St. Thomas Church will hold a Bicentennial Fair on Saturday, Nov. 15 from 10 a.m. to 7 p.m. at the Parish Youth Center in Villanova Hall.

The fair will feature knitted and crocheted items, aprons and hand-made toys, a homemade food table, a plant table and a table of Christmas decorations and gifts. There will also be games and prizes for the children, and a tea room serving delicious home-cooked food all day.

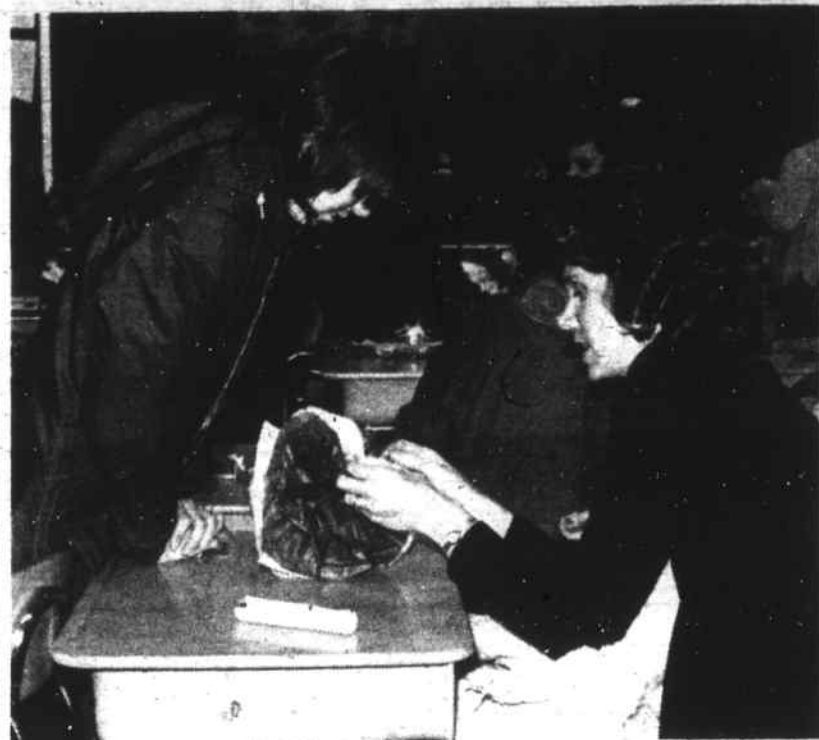

A grand drawing will be held at 7 p.m. featuring prizes of a complete made-made ceramic Nativity scene, a hand-made ceramic electric Christmas tree, a \$50 grocery order, two \$25 grocery orders and a hand-crocheted afghan. Chances for the drawing will be available at the fair.

The event is under the co-chairmanship of Mary Morris and Mary Whitney.

CYO ID Cards: In order to be present at a CYO function, all students are required to have an ID card. On November 14 from 7 to 9 p.m. photographs will be taken at CYO hall. The cost of the card is \$2.00, and this is the only time pictures will be taken. Please be on time.

On November 16: At 7 p.m. there will be a Mass for Father Joseph Bagetta as the celebrant and guest speaker. Father Bagetta is a former deacon of St. Dorothy's and is presently stationed at Immaculate Conception in North Cambridge. He teaches Canonical Law at Boston University and will speak on the subject, "A Ticket to Jail." This will be an interesting and informative talk, and all high school students are most welcome.

A social and discussion will follow. The evening will end at 9 o'clock.

PAPER FLOWERS: Were among the handcrafts available at Family Night at the West Intermediate School on Thursday. While Lisa McGinley watched, Mrs. Judy Rowe created a paper flower for Christmas. Other activities included painting, decoupage, rock painting, quilting, ping-pong, volley ball and a bake sale.

CHRISTMAS LOGS WERE POPULAR: At Family Night last Thursday at the West Intermediate School. The shops in the basement of the school were set up for building Christmas logs, and it was one of the more popular activities of the evening. Chuck McGinley (left) and Pam Spence had to wait their turn with the hammer while Danny Suprenant nailed his creation together. Approximately 250 persons attended.
